## Tiris Zemmour is the focus of the world's attention

The state of Tiris Zemmour has recently witnessed significant sports tourism activity, as several sports delegations have visited it over the past few years, the most recent of which was the day before yesterday, Tuesday, May 21, when a team of nine sports adventurers from the countries of Czechoslovakia and .Czechoslovakia were able to successfully complete their mission

The mission of these sports teams is to climb the highest Mauritanian mountain peak, "Kadia El Jal," located in the Zouerate province in northern Mauritania. This is considered the first team from the Czech country to

.reach the place to climb 'Kidya Al-Jal

The sports delegation was received by a representative of the Mauritanian African Shades & Shelter (ASS)

.Foundation at the entrance to the city

Credit for the discovery of the highest Mauritanian mountain peak, which has become the focus of attention

of athletes, goes to 26-year-old American twins Mathiew & Eric Gilbertsons, who visited Mauritania in the summer of 2022, and achieved remarkable success by climbing the highest Mauritanian mountain point, at a

height of 1,000 meters, in a prominent sporting event attended by a representative of the SNIM company and a large number. Those interested in this type of sports, as it was covered by local media and broadcast on the

.official Mauritanian channel

Several individuals and groups from different international clubs were inspired by this experience after the

success of the Gilbertsons' mission, which made the city receive similar visits annually, as international

athletes of different nationalities, including Canadians, Austrians, Czechoslovakians, and others, have so far

.arrived in Zouerate

The Mauritanian African Shades & Shelter Foundation also successfully accompanied these trips, making the

state of Tiris Zemmour in particular and northern Mauritania in general the most important points of sports

.tourism attraction
